

The State of Texas Mexico Office (STMO) invites
Texas companies to be part of the State of Texas Pavilion at
the Petroleum Exhibition and Conference of Mexico (PECOM).

PECOM

Petroleum Exhibition & Conference of Mexico

MARCH 13-15, 2018
VILLAHERMOSA, TABASCO, MEXICO

www.pecomexpo.com

Eligible businesses will receive free or discounted booth space, pre-event and on-site assistance and B2B matchmaking services.

With 24 years' experience in Mexico, PECOM offers an excellent opportunity for business development in Mexico's renewed energy sector. PECOM is the first EXHIBITION to adapt and structure itself according to changes established by the energy reform.

Exhibiting Benefits:

- Showcase your product or service to more than 6,000 attendees from over 40 countries
- Get in-country support from STMO
- Email invitations to local companies to visit your stand
- B2B meetings arranged with potential business partners in Mexico –at the event
- Customized Business Appointments
- Arranging interpreter for show if needed
- STMO staff will attend the show to assist Texas companies

Criteria for Consideration:

- US-registered and US-operating independent, established, for-profit company (at least one year of revenues) with a Federal Identification Number tied to a Texas address
- Have an exportable product/service that fits the trade show industry focus, manufactured, produced, processed or value-added in Texas
- Demonstrate Export Readiness (understand the costs associated with exporting, have a strategic plan for exporting)
- Remain in good standing with the Texas Comptroller of Public Accounts and not debarred from receiving state or federal funding

Costs:

- Showcase your product or service to more than 6,000 attendees from over 40 countries
- No cost to participate in the shared Texas booth ("Turn-key" exhibit space and registration included) – Limited to 6 companies.
- Preferential rate for Individual participation in a 3x3 m2 booth. – Only for eligible Texas businesses;
- [State Expansion Program \(STEP\)](#) funding available to eligible companies
- Transportation, lodging, meals and company-specific marketing costs are not included.
